

SAC Camp

Dear Parents and Guardians:

Stockton Jr. High takes great pride in living up to the standards set forth by Conroe ISD. Our goal is to provide a safe learning environment for our student/athletes. With Covid-19, we face many challenges, yet we look forward to meeting them head-on. We look forward to working with parents and students to ensure everyone's safety.

We are asking for cooperation when we restart our camp safely at our campus, Stockton Jr. High, on July 13th. We need all athletes in attendance. Below you will find our plans for restarting camp efficiently. We hope everyone is staying safe and healthy. We look forward to our future Stallions growing as student/ athletes.

1. Student/Athletes need to be in the parking lot for temperature checks and sign in at 8:45 AM.
2. Student/Athletes need to bring a jug of water, not just a bottle. We need to ensure that they are hydrated and maintain hydration throughout the camp.
3. Please make sure to fill out the Covid-19 summer camp check-in prior to arriving which is located on the CHS Athletic website. There is a link provided within the flyer that was sent out.
4. Maintain a 6-foot distance from other athletes and coaches to ensure we are abiding by CDC guidelines.
5. The Olympic Camp (All sports but football) will resume at Conroe High 9th Grade Campus on the same date, July 13th

We are working to create new traditions and we want our 7th and 8th graders working together to better themselves and our TEAM. The safety and wellbeing of your child is the most important thing to us. We will ensure that all precautions and safety measures are followed and abided by. If you are having second thoughts about your child attending the camp due health concerns, please contact Coach Smith at DavidSmith@conroeisd.net. If parents are wanting to stay, please practice social distancing and have a mask. We want your child there and want them to be a part of creating a winning tradition. Stallion Pride Will Never Die!

Coach David Smith
