

ATTENTION PARENTS OF STUDENTS ENTERING 7th GRADE (2022-23)

IMMUNIZATION INFORMATION:

Stockton Jr. High will not issue a class schedule unless the student's immunization record has been updated. Two immunizations are required **BEFORE** entry to 7th grade: Tdap (Tetanus/Diphtheria/Pertussis) and MCV4 (Meningococcal), or a current, notarized, original exemption affidavit. *** Online application for an immunization exemption may be made at: <https://co-request.dshs.texas.gov/>

There are TWO REQUIRED immunizations for incoming 7th graders (2022-23):

- 1. Tdap – (Tetanus/Diphtheria/Pertussis)** 1 dose of Tdap is required **if 5 or more years have passed** since the last dose of tetanus-containing vaccine. (Td is acceptable in place of Tdap if there is a medical contraindication to pertussis exists).
- 2. Meningococcal (MCV4, MenACWY, Menveo, or Menactra)** 1 dose of meningococcal conjugate vaccine is required on or after the student's 11th birthday. (NOTE: If a student received the vaccine at 10 years of age, this satisfies the requirement).

PLEASE NOTE: Many students have already received one or both of these immunizations, but the school may not have a record. Please turn in any updated records to your 6th grade nurse. Beginning June 1, please scan or send a legible picture by email to mcsimmons@conroeisd.net, or drop off in the front office at Stockton.

MEDICATION REMINDERS:

- **ALL prescription medication must be brought to the clinic by a parent or guardian. Students transporting medications will be subject to disciplinary action.**
- **All medications must be current, in original container, and have a signed permission form. Inhalers to be self-carried require a physician's note stating the student is allowed to carry the medication and have an action plan on file.**

PHYSICAL REMINDERS:

Please do not email, fax, or drop off physicals for the Nurse. Physicals are kept on file in Athletics.

As always, please contact me if I can help you in any way!
