planning*

College and Career Awareness

*Preparation, career exploration, and
transition*

Enrichment Activities

*Community
service, mentoring, and school
engagement.*

Schedule Changes for 2nd Semester

For the 2022-2023 school year, Stockton Junior High students have been placed on a team for scheduling Math, Language Arts, Science and History. All students have been scheduled into core and elective classes based on their finalized course requests.

Schedule changes will not be permitted unless an error has been made with a student scheduled into a course not on their requests. If an error has been made for the Spring semester, students or parents need to request a change by December 15th.

Counselors will make every effort to correct the students schedule.

Schedule Change Forms are located in the Counseling Office 1015.

Due by Thursday, 12/15.

- ❖ Please note that requests out of Band, Choir, Orchestra will not be approved
- ❖ Change requests out of year-long high school credit classes will only be considered if the student is not passing the course
- ❖ Additional requests for schedule changes will require administrative approval

Thank you for reading!

Please reach out if you need anything.
